<u>Orientation Workshop dates:</u>	May 2026 (tbc)
<u>Assignment in the field dates:</u>	May 2026 – May 2027 (tbc)
<u>Duty Station:</u>	Lusaka, Zambia
<u>Sector of assignment:</u>	Programme and Partnerships Management

2. Supervision

<u>Name of the Supervisor:</u>	Mr. Geoffrey Ndawa Chomba
<u>Title of the Supervisor:</u>	Assistant FAO Representative-Programmes

3. Background information

The Food and Agriculture Organization of the United Nations (FAO) contributes to the achievement of the 2030 Agenda through the FAO Strategic Framework by supporting the transformation to MORE efficient, inclusive, resilient and sustainable agrifood systems, for better production, better nutrition, a better environment, and a better life, leaving no one behind. FAO is a specialized agency of the United Nations that leads international efforts to defeat hunger and malnutrition.

The main aim of the FAO country office in Zambia, which is headed by the FAO Representative, is to assist the Government to develop policies, programmes and projects to achieve food security and to reduce hunger and malnutrition, to help develop the agricultural, fisheries and forestry sectors, and to use their environmental and natural resources in a sustainable manner.

4. Duties, responsibilities and output expectations:

Within the framework of the Fellowships Programme for Technical Cooperation Capacity Building and Human Resources Development, the candidate will perform the following duties:

- Promote FAO's agrifood systems programmes with government partners, UN Agencies, Regional Organizations, NGOs and donors. Ensure that FAO's interventions align with national policies, fostering synergies across humanitarian, development, and peacebuilding efforts
- Participate in the project management cycle of FAO with special focus on project idealization, concept development, proposal development, project operationalization including monitoring and evaluation activities
- Undertake planning tasks for the running of the country office and implementation of projects
- Participate in research, stakeholder mapping and partnership management related to substantive programmatic issues of interest for the FAO Country Office
- Contribute to writing progress reports, terminal reports and support the preparation of country annual reports
- Support the coordination of activities to raise awareness on FAO's role in resilience to climate-related threats such as droughts and floods, promoting sustainable agricultural practices, and supporting inclusive value chains.
- Develop communication materials and advocacy tools to enhance visibility and stakeholder engagement.
- Undertake research and analysis on both traditional and emerging donors.
- Support the development of the partnership and resource mobilization strategy.
- Support arrangements of meetings, minutes preparations and other related tasks.
