At the end of the assignment the Fellow will be able to:

Learning and development are a central part of the fellowship's assignment and take place before, during and after his or her assignment in the field. Ideally, offering diverse opportunities for learning and development aim to strengthen the fellow's skills and competences, improve the quality of the assignment and keep the fellow's motivation high.

Learning elements for the fellow include the development of:

- Professional skills: including specific competencies and reflection on assignment-related abilities; and on-the-job skills such as time management, problem solving, team building; and career preparedness such as interview skills, CV preparation, job searching.
- Inter-personal skills: including communication and listening skills; multi-cultural awareness and cultural competency; and conflict and stress management.
- Followship-related skills: including leadership; civic responsibility; and engagement and active participation.

Beyond the learning opportunities provided by entity that provides the Follow, UNODC will support knowledge and capacity development in the technical areas that are relevant to the Followship assignment. UNODC will provide, at its expense, fellows with equal opportunity to participate in training courses and workshops offered to its personnel.

7. Content and methodology of the supervision

Fellows should be provided equal duty of care as extended to all host entity personnel.

Host entity support to the Fellows includes, but is not limited to:

- Introductory briefings about the organisation and office-related context including security, emergency procedures, good cultural practice and orientation to the local environment;
- Support with arrival administration including setting-up of bank accounts, residence permit applications and completion of other official processes as required by the host government or host entity
- Structured guidance, mentoring and coaching by a supervisor including a clear workplan and performance appraisal;
- Access to office space, equipment, IT support and any other systems and tools required to complete the objectives of the assignment including a host entity email address;
- Access to shared host entity corporate knowledge, training and learning;
- Inclusion of the fellow in emergency procedures such as evacuations;
- Leave management;
- DSA for official travel, when applicable;
- All changes in the Description of Assignment occurring between recruitment and arrival or during the assignment need to be formalized with the entity which provides the fellow.

8. Living conditions in the country

The assignment will take place in the nation's capital, Dakar, a family duty station (Hardship classification A) with missions to the region. Dakar is a liveable city. The spontaneous reception and hospitality of the Senegalese are among the characteristic features of this West African country. The living conditions in Dakar are good, as well as the access to health services. The yellow fever vaccine is compulsory and vaccination cards should be presented at the entrance. Vaccinations against Meningococcal Meningitis and Hepatitis A and B are also recommended. The basic drugs are available in pharmacies but it is recommended to bring specific prescription drugs.

According to ANSD/RGPHAE 2013 official estimates, the population of Dakar metropolitan area reaches over 3.1 million people. The total population of Senegal is 13.508.715 inhabitants (ANSD 2013). Senegal is located on UTC/ GMT. Senegal has warm climate and sunny days throughout the year that make it a comfortable duty station. Daytime temperatures are on average around 30°C. Rainy season is in the northern hemisphere's summer/fall.

The currency used in Senegal is called Franc CFA (XOF). Many hotels, restaurants and businesses in Senegal accept the main international credit cards (Visa, MasterCard, American Express, etc.). It is also possible to withdraw cash from automatic telling machines found in all the major cities. The accommodation facilities are in general good and the choice is wide. It is possible to rent unfurnished and furnished accommodations from 450 to 2000 USD. Fellows can also co-rent and share private accommodations, which must comply with the Minimum Operating Residential Security Standards (MORSS). Transportation in town can be easily arranged through local taxis.

To enter Senegal, a valid passport is required. ECOWAS (Economic Community of West African States) nationals are not required an entry visa. Nationals of other countries may be required an entry visa or long-stay visa. They should contact the closest Senegalese representation. Senegalese Embassies and consulates in various West African countries and in other parts of the world issue visas prior to travel.
